

Dear Parents and Students,

With the start of the new academic year 2020-2021, our fees have been approved by the Ministry of Education and Higher Education.

Here is what you need to know to have all your payments to the school up to date:

Once you sign the registration or acceptance letter from the school admissions department, you are entering an agreement with the school to pay all fees on time according to the school policy.

**Due to the current COVID-19 situation, school fees can be paid through:**

- Direct bank transfer (Electronic Transfer of Funds) - please indicate student name, grade level and invoice number. Once completed, a copy of the bank receipt must be sent to [debakeyfinance@debakeyatqatar.org](mailto:debakeyfinance@debakeyatqatar.org) as payment confirmation.
- Personal checks – checks payable to **DeBakey High School** (Direct deposit to Al Khaliji Bank)
- Company payments - Although the school will accept company payments from employers, at all times it remains the parent’s responsibility to ensure school fees are paid before each term’s due date, or before a child starts at the School

**Note:** DeBakey High School, Qatar does not accept payment by cash/post-dated checks.
