

Dear Parents and Students,

Hope you had a great first day of school

It was wonderful to see all the familiar faces and all the new ones too. We wish you a fruitful year ahead.

### **Parent and Student Orientation**

By now, both you and your child have attended the orientation assigned for you keeping you informed about the procedures and measures taken to protect you all. Just in case you missed it or need more information, we would like to send you the parents and student orientation presentations.

*Please find attached the [parents and the students' orientation](#) presentations.*

### **Thursday Schedule - 3<sup>rd</sup> September**

As stated in our previous memo about the first 3 days of school, the students will NOT be coming to school on Thursday (tomorrow) 3<sup>rd</sup> September 2020. They instead will be joining their classes online using Microsoft Teams.

*Please find attached the [Thursday September 3<sup>rd</sup> schedule](#) for students.*

### **Student Medical Form Update**

As stated in our previous memo about updating your child's medical information in the school, please fill out the medical form linked [here](#) ASAP:

<http://debakeyatqatar.org/medical-update-form/>

### **Student Medical Exemption**

*Please follow the attached [procedures](#) to apply for your child's exemption from attending school.*

If the child does not have a Medical Exemption from a health professional, then he/she is expected to be in school in the days assigned.

## **Groups 1 & 2**

The school administration is working hard to ensure that we abide by the Ministry of Education and Higher Education guidelines about Blended Learning.

We worked hard to accommodate siblings to come on the same days to school so that it will not be a burden on parents.

Groups 1 and 2 are now FINAL. No further changes will be made.

Thank you for your cooperation.
